

Tigernix**Donation**

Donation Management Mobile App

SOLUTION OVERVIEW

TignixDonation, a cutting-edge tool for managing donations that can seamlessly streamline your fundraising efforts. This expert tool makes fundraising simpler and faster with its premium features and interactive dashboards, enabling you to interact with current contributors and effectively respond to donor inquiries. As this app was specifically designed by Tignix to handle all obstacles preventing donor management functions, say goodbye to the difficulties faced by donor-oriented organisations in Singapore.

Donors are the foundation of non-profit organisations, and modern donor engagement is essential to raising donor retention rates. For non-profit groups, TignixDonation offers a straightforward yet effective alternative digitised management system for fundraising.

Learn about the appealing features of our superior contribution management app and how it gives your donors and members the ideal donation experiences.

ADVANTAGES

Boost Fundraising Effectiveness

Through excellent donor management, automated workflows, real-time data insights, and tailored interaction, TigernixDonation increases fundraising, leading to a rise in donations and improved overall fundraising efficacy.

Enhance Donor Engagement

Through tailored contact, prompt updates, and data-driven insights, TigernixDonation improves donor engagement. This leads to better bonds, more donor loyalty, and eventually higher levels of support and contributions.

Cut down Costs

By automating administrative procedures, minimising human work, and improving resource allocation, TigernixDonation helps reduce costs, increasing cost-effectiveness and increasing the amount of money donated to the cause.

Ever-growing Donor Base

Utilising data analytics, targeted marketing, and streamlined procedures, TigernixDonation supports an ever-expanding donor base by luring new donors, maintaining old ones, and ensuring ongoing support for the organisation's goal.

Explicit Analytical Advantages

Through thorough data analysis, infographics, and reporting capabilities, TigernixDonation provides explicit analytical advantages that enable businesses to make knowledgeable decisions.

User-friendly Interfaces

For a smooth fundraising experience, TigernixDonation's user-friendly interfaces make navigation and interaction simple for employees and donors, minimising learning curves, increasing productivity.

Secure Data Storage

TigernixDonation guarantees safe data storage, guards against unauthorised access or breaches, builds trust among stakeholders and contributors, and complies with data protection laws for increased credibility.

Worldwide Outreach

By providing online donation alternatives and linguistic support, app makes it easier for organisations to access a global audience and collect donations from different geographical areas, and increasing their fundraising capacity.

BASIC FUNCTIONALITIES
